Claims 31-38 are presented for examination.

The amendments and remarks filed on June 10, 2004 have been received and entered.

Claims 31-34 are again rejected under 35 U.S.C. 112 second paragraph for the reasons set forth on page 2 of the office action of March 10, 2004.

Applicant's arguments and remarks have been carefully considered, but are not deemed to be persuasive. Claims 31-34 are considered to be indefinite in failing to set forth the definition for R2-R6. Claim 34 is indefinite in being dependent on claim 39, which is not present in the instant application.

Claims 35-38 at present time are considered to be allowable.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
